

## 2014 Rain Barrel Sale

**Charcoal**

(plants not included)  
**Granite**

**Moss**

**Terra Cotta**

### Rain Barrel Options

\* 60-Gallon Rain Station Rain Barrel and kit.  
Color choices: Black, Granite, Moss and Terra Cotta

The rain barrels are simple to use and provide an attractive rainwater harvesting solution for residential applications. Top of barrel inverts to use as a planter. Made in the USA.

### DIY Rain Barrel Construction/Installation Kit

The kit includes everything needed to convert your unused barrel into a rain barrel. Includes: 3 hole saws; 3/4" gate valve; 3/4" drain nipple with cap; 2 threaded rubber grommets; 1-1/2" rubber grommet; 3' of flexible hose; rubber "automatic" downspout diverter (works with 2"x3", 3"x4", 3" round, and 5" commercial downspouts); one "Do not drink water" label; and one winterizing cap.

\* Barrel not included.

**Order deadline is the last day of each month.** All orders are subject to availability and sale of the total minimum quantity for wholesale orders. Please include payment with your order. All who order will be notified of pick up date and time.
