

Wood SWCD 2024 Spring Fish Sale

The Wood Soil and Water Conservation District is offering new and established pond owners the opportunity to stock their ponds conveniently and at a low cost.

An aerator tank truck from Fender's Fish Hatchery in Baltic, OH will distribute **pre-ordered** fish fingerlings on **Tuesday, April 23 at 9:30 AM at the Wood County Fairgrounds.**

Bring your own containers filled with pond water. Your container should be lined with a plastic bag and filled with your pond water as close to pick up time as possible to prevent drastic changes in temperature in the water which can cause shock to your fish during transportation. A 5-10 gallon container is adequate for 100 fish, unless purchasing white amur; 2-3 white amur per 5-10 gallon container.

Fish are guaranteed to be in good condition at time of delivery; however, we cannot guarantee survival after stock is in your pond. **Order Deadline: Monday, April 15.**

Fish Species Available:

- Bluegill
- Redear Sunfish (shell crackers)
- Hybrid Bluegill
- Channel Catfish
- Largemouth Bass
- Fathead Minnows
- Perch
- White Amur

Recommended stocking rates of fingerling fish for new or renovated ponds
