

February 5, 2026

Dear Prospective Sponsor:

The 2026 Wood County Ag-Venture Self-driving Farm Tour is Saturday, September 12, 2026, 10 AM–3 PM. Wood Soil and Water Conservation District is the primary host for the event. The staff, supervisors, and volunteers work together in designing a day full of unique experiences and locations.

Community members look forward to the Ag-Venture tour every four years. They experience personal conversations with farmers, good food, and hands on activities at select locations. We are proud to announce that this tour is a highlighted event for the America 250-Ohio celebration. The content created from the event by the AM 250-OH staff is to be used to promote the October theme of Ohio Grows: Food & Farms. Be sure to take a look at the [America250-ohio.org](http://America250-ohio.org) website for the year long celebrations.

Thank you to the 2026 Wood County Ag-Venture Site Stops for opening their doors to educate and engage the public in local agriculture and conservation.

Aaron & Stacey Creps Family Farm  
Dusty Boots, LTD - Equestrian Experiences  
Bowling Green Water Treatment Plant  
Fox-Shank Living Laboratory  
Luckey Farmers, Inc – Sugar Ridge Branch  
National Construction Equipment Museum  
Power of Yesteryear

Enclosed are the 2026 sponsorship opportunities. Enthusiastic financial support from local businesses and organizations made it possible for thousands of children and adults to take advantage of this special event in 2018 and 2022. Please review the options and choose the one that fits your budget and outreach needs.

The Ohio Federation of Soil and Water Conservation Districts Area 1 Directors, a 501c3 will be working with us to make your donation tax-deductible.

Sincerely,

Julie Lause  
Wood Soil and Water Conservation District
