Project Summary and Outcomes

Please provide a summary of the completed project. *Did it stay consistent with the original plan, if not what changes were made. What did you learn along the way that would be helpful to share with others.*

WOOD SWCD Native Pollinator Habitat Mini Grant

Planting Details: What date was planting completed? What size area was planted? Were any changes made to the original species list? If so, why?

What was your original goal for the project? Do you feel your goals were achieved, why or why not?

What was the biggest success and challenge of the project?

What is your long-term maintenance plan moving forward? Do you anticipate any issues with the plan or site moving forward?
